FOR IMMEDIATE RELEASE

## **New Website for Grandfamilies Place of Phoenix**

Alliance Property Group, Inc. (APG) launched a new website for its Grandfamilies Place of Phoenix property in Phoenix, Arizona. Grandfamilies Place of Phoenix is a new residential development with 56 affordable housing units uniquely designed for grandparents raising their grandchildren. APG is the developer and co-owner of this property with Tanner Properties.

The new website launched today, in anticipation of the grand opening celebration on October 25. The website address is [www.grandfamiliesplacephoenix.com](http://www.grandfamiliesplacephoenix.com). It contains more information about this innovative project as well as links to the property manager site and other project stakeholders.

“Grandfamilies Place of Phoenix is proof of what is possible when public and private partners think progressively to address the current and future needs of our communities,” said Danielle Curls-Bennett, President of Alliance Property Group, Inc. “Alliance Property Group has been managing public-private development partnerships for many years and we are very proud of what we achieved with this project.”

**ABOUT ALLIANCE PROPERTY GROUP, INC.** – APG is a full-service real estate developer, construction and property management firm in business since 1997. APG is an urban development expert committed to creating strong communities. All the company’s projects are created using the highest standards in creative design and construction.
